AND AMENDMENT**

Commissioner for Patents  
Washington, D.C. 20231

September 26, 2002

Sir:

In response to the Restriction Requirement dated **August 28, 2002**, Applicants provisionally elect, without traverse, Group II (Claims 8-14 and 19-20). Applicants reserve the right to file a divisional application directed to the non-elected claims prior to payment of the Issue Fee.

Also, please amend this application as follows:

**IN THE CLAIMS:**

Please add the following claims 23-30:

23. An information processing apparatus comprising:

a communication circuit for transmitting or receiving radio wave signals;

an electrical circuit performing a function different from a function of the communication

circuit; and

means for generating a signal to turn off the communication circuit, said generating means

being operative outside of the information processing apparatus, said communication circuit being
